PROFESSIONAL SUMMARY

Currently I hold both the position of Research and Development Supervisor / Production Specialist for Merlin Entertainments / Merlin Magic Makers Florida division and additionally I'm the CEO and Chairman of the non-profit organization Animation Hall Of Fame, Inc.. Also, this is my 50th year as an international award winning producer, director, and supervisor veteran of the motion picture, television, and theme park entertainment industries. Additionally for 13 years during this period of time I also co-developed and taught the undergrad and graduate level animation, visual effects, and animatronics curriculums at the Savannah College of Art and Design.

TESTIMONIALS

“Working again directly with you as we have in the past on other projects has been a real pleasure. As your mentor for many years it has made me very proud to see your work grow and develop over those many years. I know that it will continue to do so. All my very best and good wishes for the future.”

Ray Harryhausen: Stop Motion Animation and Visual Effects Legend of Clash of the Titans and Jason and the Argonauts

“I wanted to express my appreciation for all of the world class work that you contributed to Terminator 2 and on the Terminator 2 3-D Universal Attraction , at Stan Winston Studios. I was extremely at ease knowing that the animatronic sections of the film were in great hands just as they were when we first worked together on The Abyss. Thanks for your dedication and hard work.”

James Cameron: Director of Avatar, Titanic, Terminator 2, and The Abyss

“The Savannah College of Art and Design has achieved an outstanding reputation for preparing talented students for careers and having such prolific faculty member like your self is a great inspiration to our students, to be sure, and to the entire Savannah College of Art and Design. Thank you for your contributions in building this internationally renowned university for the arts. Your continued efforts will ensure that our college’s future will shine even brighter than it’s past.”

Paula S. Wallace, President and Co-Founder, Savannah College of Art and Design
